Cortijo LA Organic Experiences

Discover Ronda and its traditions through exciting experiences. From MTB bike routes, buggies, and quads to hot air balloon rides, mindfulness, climbing, and via ferrata, each activity connects you with nature and stunning landscapes. Enjoy excursions, hiking, and immerse yourself in oleotourism at LA Almazara created by STARCK, the first olive oil museum, which merges production, art, design, and gastronomy.

Cortijo LA Organic

LA Almazara designed by Philippe Starck

During your stay, discover LA Almazara designed by Philippe STARCK, the first olive oil museum in the world that merges olive oil production, design, art, tradition, and gastronomy. Designed by Philippe Starck, this unique space offers an unparalleled sensory experience. Here, the heritage of EVOO combines with contemporary art and avant-garde design, creating an environment that celebrates both history and innovation. Explore how our oil is produced while marveling at the artistic installations and enjoying an exceptional gastronomic proposal.
